

ARCHBISHOP O'LEARY HIGH SCHOOL

Awards
2020 ~ 2021

PRINCIPAL'S MESSAGE

Award season is a time when we as a school community celebrate the accomplishments of our students. It is a time to acknowledge their hard work, dedication and commitment. Students receiving these awards need to know that working hard and maximizing their academic potential leads not only to accolades but also to opportunities that have yet to be realized beyond the walls of our school. I know I speak for all Archbishop O'Leary faculty and administration when I share how proud we are of each of this year's award recipients. Our hope and prayer is that each of these award recipients will continue to developing their God given gifts and to use them for the greater good of our world in the future.

- Mr. Koshka
